Health WALKS

One Life Suffolk

Helping local people live healthier lives

One Life Suffolk

Welcome to the Autumn 2017 programme Walking for Health brochure.

Each walk description will give you information on the grade, time, distance and other possible features on the walk so you will be able to choose walks to suit you. Stepping Out in Suffolk provide short, free Health Walks which take between 30-90 minutes. Postcodes are given for the meeting place or the nearest postcode to parking location.

Walks are graded so you can be sure they are suitable to your ability:

1

On easy, good, flat surfaces

2

Mostly one level, can be muddy

3

Some moderate slopes, good surfaces

4

More challenging, may include steeper slopes, rough ground or mud in wet weather

5

As grade 4, but may include one or two stiles

On your first Health Walk we will ask you to fill out a Health Questionnaire which the walk leaders will have available for you on the day or alternatively download a copy at:

www.onelifesuffolk.co.uk

and bring it to your first walk. At the start of each walk a register is filled in to keep a record of the number of walkers attending. Our Health Walks, are accredited to the national body Walking for Health who are funded by Macmillan Cancer Care under the umbrella of The Ramblers. They are led by trained volunteer walk leaders to ensure that they are effective and above all, enjoyable!

Walking can...
Make you feel good. Give you more energy. Reduce stress & help you sleep better. Keep your heart 'strong'. Reduce blood pressure. Help you to manage your weight.

Please note: Dogs are not permitted on any of the Health Walks in Waveney. This may change in the future as our Health Walks programme grows. Sorry for any inconvenience caused.

Please note: Extreme weather conditions may result in a walk being cancelled. If this happens, or you would like to clarify please see the website or contact Client Services on 01473 718193.

Please note: Due to the nature of the walks it is important to wear appropriate clothing, that is easy to move in and suitable footwear such as trainers/walking boots.

Get on board and catch a bus to your walk! Finding out routes and times has never been easier: www.suffolkonboard.com

Why is walking the perfect activity for health?

- Almost everyone can do it.
- You can do it anywhere & anytime.
- It's a chance to make new friends.
- It's free & you don't need to book or have special equipment.
- You can also start slowly & build up gently

Volunteer with Stepping Out In Suffolk

We want everyone to live happier and healthier lives. Help us achieve this by volunteering with your local Walking for Health Scheme. We need people to lead and assist with walks, develop new routes or provide office support.

If you want to get active, meet new people and make a difference to you local community, we'd love to hear from you.
