

**December 2023 Rendlesham and Orford Parish Report
East Suffolk Council GLI Group – Councillor Wilson Update**

December was a really busy time for the council as we homed in on a budget to deliver the council's core services for the next four years. The budget gets set following the Autumn Statement which is why it's a bit of a scramble each year, and the last twelve years have seen a literal decimation of local government money. Lots of councils are basically declaring bankruptcy but ESC is in a good position, so in the next month we'll be presenting our plans for delivering on our election promises.

See you at the next parish council meetings I hope, and do get in touch with absolutely anything you think I may be able to help with. Please note that we have activated the Severe Weather Emergency Protocol, so if you know of any rough sleepers, report it on housing.needs@eastsuffolk.gov.uk and copy me in.

Best wishes

Tim

Helping families access affordable school uniform

Community groups, organisations and town and parish councils are invited to apply for funding to help provide school uniform to East Suffolk families in need. The scheme provides funding for community groups to open a new uniform bank or expand an existing uniform bank.

Once operational, donations of new or pre-loved good-quality uniform, sportswear and school equipment can be made to the banks, which will then be made available to families who may be struggling to afford uniform.

Uniform banks which have been funded through the previous round of this grant scheme are now operational at Bloodmoor Community Centre in Carlton Colville, Project40Seven at Creative Leiston and St Luke's Church in Beccles.

GLI Cllr Sarah Whitelock, East Suffolk's cabinet member for Communities, Leisure and Tourism said: "On average, school uniform costs families over £300 per year, and this can be higher if a school requires the use of a particular supplier, or the uniform contains branded items. Providing uniform, sports kit and other school equipment can be a struggle for many families, particularly those in rural areas. Uniform banks can help ease this pressure by providing good quality uniform to those in need and also helps to reduce clothing waste."

Grants are available for up to £3,000 and applications are welcome from community and voluntary groups, organisations and town and parish councils.

Applications close on 28 January 2024.

A Warm Welcome for everyone

A network of venues offering residents a warm, safe space to socialise over the winter has reopened for the second year.

East Suffolk Council's Warm Welcomes (formerly Warm Rooms) scheme has now relaunched, with more than 20 village halls, churches and community hubs providing a warm space and an opportunity to connect with other members of the local community.

Last year, Warm Rooms operated over the winter months to provide warm, friendly spaces across East Suffolk. This winter, the rooms have been rebranded as Warm Welcomes following feedback received by those using the service, and the host venues.

Part-funded by the UK Government's UK Shared Prosperity Fund, Warm Welcomes provide a safe and welcoming space where members of the community, including people who may be struggling with the cost of heating their homes, can come to meet with others and access information about additional support available in the community.

GLI Cllr Sarah Whitelock, East Suffolk's cabinet member for Communities, Leisure and Tourism said: "Warm Welcomes provide people of all ages with a safe space to visit to meet others from their community, take part in activities and find out more about other types of support available in their local area."

Earlier this year, community groups interested in joining the Warm Welcomes programme were encouraged to apply for grant funding. Venues must be open for at least 8 hours per week and the funding can be used as a contribution towards energy costs, refreshments, food, activities and the purchase or hire of resources such as craft materials.
